STEP 6: Verify APR data

It is important and critical that you check for all possible data errors and inconsistencies and correct the same before submission of your APR data to Department of Education.

1. Mouse over on the APR Icon
2. Click on APR Sections
3. Click on Annual Performance Report Section 2
4. Change fiscal year to '2022' if other, Click on Ok to Continue
5. Click on 'Verify Data' button at top-right
6. This option will identify all issues with your data - missing data, invalid data, data not matching up from one field to another etc.
7. It will select the group of students with the suggested error and you will get following options:
 - Correct Data: To correct the errors on selected students, once you fix the data on a student then click on 'Next' button to move to next student's record.
 - Print List: To print the list of students with the listed error.
 - Save List: To save the list of students with the listed error. This saved list can be recalled from 'Recall List' option in 'Global Filter Screen'.
 - Continue to Next field: To move to next error.
8. Correct all errors as listed.

NOTE: When updating data, click on 'Save' button at regular intervals to save the data for that session.

STEP 7: Check your Program Objectives

The Department of Education uses Annual Performance Report information to award prior experience (PE) points for meeting your objectives. These points count in your favor when your grant is up for renewal. You can use the PE Points section to view your progress on your objectives once your APR information has been entered into Blumen.

1. Click on the PE Points icon at top-right
2. Change fiscal year to '2022' if other, Click on Ok to Continue
3. Enter the objective requirements for your grant in the Objectives column
4. Click on the Recalculate button at the bottom right to see your achievements.
5. If you are meeting an objective, 'Outcome' box will be 'Green', if you are not meeting an objective then box will be 'Red'.
6. Each objective has a small printer icon to the right. Clicking this printer will allow you to print a summary (percentages) or a detail (listing) report of the applicable student data for that objective

STEP 8: Create your APR Data File for submission

Once you have fixed your APR data of all errors in step 6, you can create the data file for APR submission on the Department of Education website.

1. Mouse over on the APR Icon.
2. Click on APR Sections.
3. Click on Annual Performance Report Section 2.
4. Change fiscal year to '2022' if another, Click on Ok to Continue.
5. Click on 'Create Data File' button at the bottom.
